## Tietiesbaai Venue

For the bride who's heart belongs to the ocean: Tietiesbaai is situated in the West Coast of South Africa, and boasts a charming, rustic appeal. White beaches, crushing waves and unparalleled natural beauty provide the perfect romantic backdrop for a couple to make those vows. Ceremonies are on the beach, and for your reception we erect a stretch (Bedouin) tent, complete with dance floor, lighting and full

décor services. Our kitchen has developed a specialized menu for these celebrations, making use of the the freshest locally-sourced ingredients from the oceans and beyond. Perfect if you are considering a destination wedding, where the festivities can be stretched over a couple of days instead of just a few hours.
